

IR-ECO ACCELERATOR PRODUCT DATA SHEET

PRODUCT & APPLICATION TOOLS

PRODUCT CODE	UNIT SIZE	MIXING RATIO
121437-SC	0.07 gal (0.27 L)	1 Unit per 4 gal (15 L) IR-Eco

DESCRIPTION

Impermitek's IR-Eco Accelerator is an additive that speeds up curing time to shorten pot-life when applying the IR-Eco resin in low temperature ambients.

ACCESSORY COMPONENTS

The IR-Eco Accelerator may be used with the following Impermitek resin:

- IR-Eco Polymer Resin

FEATURES

- Low VOC formulation
- Easily mixes with Impermitek's IR-Eco Resin

STORAGE

Always store closed containers in a cool, ventilated and dry location away from heat and oxidizing agents. Do not store in direct sunlight or in temperatures at or below 32°F (0°C) or above 77°F (25°C). Approximate maximum shelf life is 12 months when properly stored, sealed, and unmixed.

WARNINGS

When using the IR-Eco resin, the accelerator is recommended when the ambient temperature is 37° - 47°F (3° - 8°C) and **required** at 48° - 50°F (9° - 10°C).

The IR-Eco Accelerator should only be used as recommended with the specified Impermitek resin.

MIXING

Add the entire contents of the IR-Eco Accelerator into a 4 gallon (15 L) can of IR-Eco resin, then thoroughly mix the entire drum using a slow-speed (200 to 400 rpm) mechanical mixer with spiral agitator for 3 minutes, or as required. Ensure the additive is fully incorporated while avoiding aeration of the resin.

Refer to specific product data sheet for additional instructions and information regarding mixing, catalyzation, and application of the IR-Eco Polymer Resin.

SAFETY & HANDLING

Please refer to the relevant Safety Data Sheet (SDS) prior to handling or use. Use materials in strict accordance with published guidelines. Dispose of waste materials in accordance with local, state and federal regulations.

TECHNICAL ASSISTANCE

For further information, please contact Impermitek Technical Services at +1 (780) 906-4600 or technical@impermitek.com. More information can also be found at www.impermitek.com.

Please, refer to the Impermitek installation recommendations, application manuals, and guide specifications, for complete information regarding the suitability, application, use, and handling of Impermitek products.
